

Environmental and Sustainability Policy

AJW Interiors and Construction Pty Ltd regards appropriate management of environmental issues as an integral part of our business. We are committed to the protection of the environment and ecologically sustainable practices in all aspects of our operations.

We will comply with all relevant legislation governing the protection of the environment. Our environmental management system will address all aspects of the International Standard, ISO 14001:2015: "Environmental Management Systems- Requirements with guidance for use".

In managing our business, we make a commitment to:

- Work pro-actively with our clients, regulators, and other community stakeholders to enable environmental issues to be addressed at an early stage of development;
- Take local community views into consideration and ensure that we inform, listen to and respond to reasonable concerns relating to our projects;
- Undertake our activities in a manner that is consistent with the principles of ecologically sustainable development;
- Prevent pollution and reduce adverse environmental impacts of our activities on the natural, built and cultural environment;
- Promote the efficient use of natural resources and reduce waste through the use of the waste hierarchy-avoid, reduce, re-use, recycle and finally dispose;
- Set realistic environmental objectives and targets at all relevant levels within the company and continually monitor performance;
- Promote environmental awareness among all employees and subcontractors to achieve our environmental objectives;
- Continually improve our environmental performance through periodic reviews and evaluation of our policy and management systems to ensure they remain suitable, adequate and effective;
- Encourage a sense of personal responsibility for environmental issues amongst employees and subcontractors through effective communication, training and a positive organisational culture.
